

SERIES 10

MURRAY AGRICULTURAL EQUIPMENT

PRODUCT INFORMATION

3 POINT LINKAGE

Attach a wide range of implements with ease

CARRYALL SERIES 10 – AN IMPLEMENT YOU CAN RELY ON

One of the most important and used attachments for a tractor, the Murray Carryall is a versatile and essential implement. Attached quickly via 3 point linkage, it is ideal for carrying hay bales, fence posts, feed, firewood, tools, spray tanks and much more.

Built to last, our models include a recessed floor to ensure that your load does not slip off. Open corners allows easy drainage to stop water build up. Category 1 & 2 Pins are included as standard. Available in a 6' x 4' configuration for those who require additional space.

3 POINT LINKAGE
