

CONNECT MULTI-FIT SKID STEER ATTACHMENTS TO YOUR EURO HITCH TRACTOR QUICKLY AND EASILY

Fit tillers, dozer blades, power rakes or stump grinders to your tractor with the euro hitch adaptor frame.

■ BENEFITS

Broaden the range of attachments

With so many more attachments available to suit skid steer loaders this adaptor frame enables tractor owners to almost double the number of attachments available to them for use with their tractors.

Use the same attachments on tractors as skid steers

Fit any of your multi-fit skid steer attachments quickly and easily to your euro hitch tractors when utilising the adapter frame.*

■ FEATURES

- » HEAVY DUTY CONSTRUCTION
- » AUSTRALIAN MADE QUALITY
- » EASY PICK-UP CONNECTION WITH SECURE ATTACHMENT LOCKING SYSTEM
- » 75KG MASS - 200MM DEPTH

*Remember to check that hydraulic flow, pressure & the tractor's lift capacity are suitable for each attachment before attaching to your tractor.
