

MASSEY FERGUSON

## MASSEY FERGUSON COMPACT LOADERS AND BACKHOES

FARMS // RURAL PROPERTIES // CONTRACTING

The Massey Ferguson® FL Series loader brings an extra dose of muscle to Massey Ferguson compact tractors with high-quality, hardworking front loaders. Our BH and CB Series backhoes dig deep in tight spots, thanks to their smaller size that's still big on capability and durability.

BORN TO **FARM**

### MF FL Series Loader Features

- » Built from welded box section beams with cast lower pivots for increased durability
- » Universal skid steer tool carrier accepts industry implements such as buckets, forks and grapples
- » Optional third function and SoftDrive® loader suspension maximize productivity
- » Lowered cross tube delivers increased visibility so you can see the work ahead

### MF BH and CB Series Backhoe Features

- » Quick attach system means more time working, less time setting up
- » SAE Joystick lever controls deliver accurate digging, easily
- » Buckets sizes available from 9-24 inches to fit the needs of your dig
- » Digging depths of 76-100 inches to get the job done

LOADER MODEL	LIFT HEIGHT @ PIVOT PIN (IN (MM))	LIFT CAPACITY TO FULL HEIGHT* (LB (KG))	LIFT CAPACITY TO 59"* (LB (KG))	BUCKET WIDTH (IN (CM))	COMPATIBLE TRACTORS
